

How can I use Pietra to start a business and make money?

group: Pietra Platform & Pricing

Pietra is the easiest, fastest, and most affordable way to start a business. Pietra offers members a few things to get your business off the ground:

- 1) It has a vetted supplier and manufacturing network. You can work with 1000+ vetted product and packaging suppliers. You can browse all of them [here](#).
- 2) You can make more money by using Pietra's 3PL. It's lower cost than most fulfillment centers in the USA and allows you to ship quickly all around the USA and the rest of the world. Want to see how much cheaper it really is? - 3) Want to make more sales? You can sell your products on your website or decide to list your products on Pietra's Sales Network. Pietra's Sales Network allows you to sell more products without having to do any of the hard work. Just send your items to Pietra's members-only 3PL and list your products on the wholesale, retail, and DTC platforms you choose. Pietra will fulfill all the items for you and pay you out your earnings weekly. You can list your products on Pietra's Sales Network [\[here\]\(https://creator.pietrastudio.com/ecommerce-services\)](https://creator.pietrastudio.com/ecommerce-services).
