

How are my products warehoused?

group: Warehousing, Shipping & Fulfillment

Pietra has its own fulfillment center so that you don't have to worry about storage or order fulfillment. All that you need to do is send your inventory to a Pietra Fulfillment Center and get ultra low cost storage and fulfillment rates. Additionally, Pietra's warehouse is temperature-controlled.

For pricing, please visit [this page](#). You'll notice that we undercut competing fulfillment rates by 30%, on average!
