

How will I be charged for the fulfillment services I use with Pietra?

group: Warehousing, Shipping & Fulfillment

Creators will be billed weekly for orders fulfilled during the previous week. This invoice will be inclusive of shipping reimbursement on fulfilled orders, fulfillment fees and any relevant sales fees.

All assembly & photography fees will be on an as needed basis. Pricing for your assembly and photography needs will be disseminated during assembly calls, and are one-time fees. We currently offer eCommerce photography for \$39.00/photo!

During your assembly call with our logistics team, Pietra will determine how you will be charged for storage in our fulfillment center, based on the amount of space your inventory takes up in the warehouse. This will then be sets up as a monthly recurring storage invoice.

Pietra will reevaluate your storage space on a monthly basis, depending on any changes in your inventory levels.
