

## How are my customer orders fulfilled?

group: Warehousing, Shipping & Fulfillment

Pietra will handle your fulfillment entirely! This allows you to focus on what you love instead of spending time packaging, bubble wrapping, printing labels, and even visiting the post office. WE provide best-in-industry fulfillment fees that make it the best option for sending products to your customers. Once an order is placed, it will be fulfilled within 1 business day. And, we offer 2-day domestic shipping! Rates will vary for international options. Check out our rate card [here](#).
